YEREVAN, 1999

DEAR CHESS FRIENDS

The World Juniors and Girls Chess Championships are held in the Yerevan Chess House named after prominent Armenian Grandmaster Tigran Petrosian. When the construction of the building began, the first stone was laid by the 9th World Chess Champion.

This significant chess center is functioning already from 1971. Here many international tournaments as well as the Armenian championships were held. Every day the chess lovers are busy playing their favorite game in this building.

The Chess House is one of the most outstanding places of sightseeing of Yerevan.
